## EXTRAS

### Guestbook studio set up at reception - £280

Provided there is a space of at least 3m x 4m, I am able to set up some studio lighting and a backdrop to take studio-style photographs of the newlyweds and guests. This can include the shooting of guestbook messages.

### Extra photographer - £200

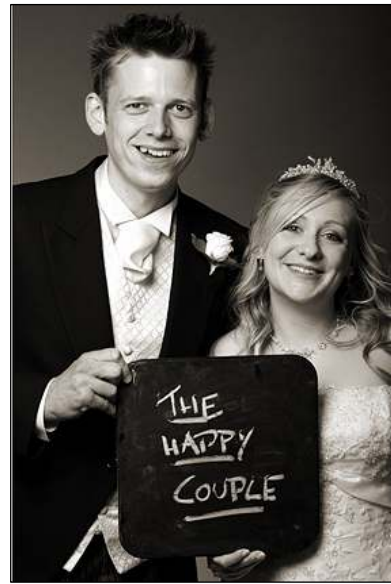

Having a second photographer can give an added perspective on your big day - a second viewpoint at the ceremony, the preparations of both the bride and groom's parties. I choose only photographers whose style will fit in with my own to maintain a cohesion in the final collection of images.

### Engagement shoot - £180

A pre-wedding shoot can be arranged. This can be useful for preparing the couple for the photography that will take place on their big day. Four 10" x 8" prints would be supplied subsequent to the shoot.

### "Trash the dress" - £380

A fashion-style shoot where you can get dressed up in your wedding clothes again and do everything that you couldn't do on your wedding day! The shoot can involve anything - paint-slinging, rolling around in mud, frolicking in a fountain or taking a dip in the sea - any degree of 'trashing' that you feel comfortable with! The price includes the hiring of a make-up artist, three hours of photography and the subsequent provision of four framed 10" x 8" prints.
